

# ISSS

INTERNATIONAL SOCIETY FOR THE STUDY OF SELF-INJURY

Hosted by:

Alexian Brothers Behavioral Health Hospital  
Northwestern University Feinberg School of Medicine

	Saturday, June 26th, 2010
TIME	Location: Lurie Baldwin Auditorium, 303 E. Superior, Chicago IL, USA
8:00-9:00	Continental Breakfast
9:00-9:15	Welcome & Opening Remarks, Jason J. Washburn
9:15-10:45	<b>Research Presentations: Phenomenology &amp; Methodology</b>
	The Temporal Relationship Between NSSI and Suicide in a Community Population of Young Adults. Janis Whitlock (Cornell University, USA)
	Progress in Understanding and Assessing Functions of NSSI. E. David Klonsky (University of British Columbia, Canada), Catherine R. Glenn (Stony Brook University, USA), Jason Washburn (Northwestern, USA), Denise Styer, K.R. Juzwin (Alexian Brothers, USA)
	Exploring Ethical Issues in Self-Injury Research. Penelope Hasking (Monash University, Australia), Sarah Swannell (The University of Queensland, Australia)
10:45-11:00	Break
11:00-12:30	Keynote Speaker: Dr. Armando Favazza
12:30-2:00	Lunch on your own
2:00-3:20	<b>Student Presentations</b>
	The Role of Blood in NSSI. Catherine Glenn (Stony Brook University, USA) & E. David Klonsky (University of British Columbia, Canada)
	Treating NSSI: Training, Experiences and Perceptions of Graduate Mental Health Students. Margot Schuerman & Genevieve L. Y. Arnaut (Pacific University, USA)
	Clinical Features Associated with Interpersonal versus Intrapersonal Functions of Non-suicidal Self-injury. Brianna J. Turner, Brianne K. Layden, Natalie J. Michal, Alexander L. Chapman (Simon Fraser University, Canada)
	Epidemiology of NSSI in Australia. Sarah Swannell, Graham Martin (The University of Queensland, Australia), Philip Hazell (University of Sydney, Australia), James Harrison (Flinders University, Australia), Anne Taylor (Department of Health, South Australian Government)
	NSSI and Self-Esteem of University Students. Katie J. Dhingra, Digby Tantam, & Paul B. Naylor (University of Sheffield, UK)
3:20-3:30	Break
3:30-4:30	<b>Symposium: NSSI on YouTube. A Qualitative and Quantitative Examination.</b> Janis Whitlock, Jose Redondo (Cornell University, USA), Stephen Lewis (University of Guelph, Canada), & Nancy Heath (McGill University, Canada)
4:30-5:00	<b>Clinical Presentation:</b> In Auschwitz They Dreamed of Eating: Understanding, Managing, and Preventing Foreign Body Ingestion in Institutionalized Patients. Barent Walsh (The Bridge, USA)
5:00-7:00	Speed Dating, Poster Session, & Cocktail Hour (Ryan Family Atrium in Lurie)

INTERNATIONAL SOCIETY FOR THE STUDY OF SELF-INJURY

	Sunday, June 27th, 2010
TIME	Location: Lurie Baldwin Auditorium, 303 E. Superior, Chicago IL, USA
7:00-9:00	ISSS Business Meeting - Abbott Hall, 12th Floor
8:00-9:00	Continental Breakfast
9:00-10:00	<b>Clinical Presentations: Comorbidity</b>
	<b>Treatment of Patients with Comorbid NSSI &amp; Eating Disorders.</b> Denise M. Styer, Michelle Gebhardt, & K.R. Juzwin (Alexian Brothers, USA)
	<b>Body Image Struggles in NSSI: It's Not Just About Eating Disorders.</b> Michelle Gebhardt, & Denise M. Styer (Alexian Brothers, USA)
	<b>Treatment of Patients with Comorbid NSSI &amp; Substance Abuse.</b> Denise M. Styer, & Linda Lewaniak (Alexian Brothers, USA)
10:00-11:30	<b>Research Presentations: Neuroscience</b>
	<b>Spots in the Brain: A fMRI Study of Adolescents with NSSI.</b> Paul L. Plener, A.G. Ludolph, A. Wietasch, N. Bubalo, & D. Lulé (University of Ulm, Germany)
	<b>Functional Neuroimaging of Reward Circuitry in Intellectually Intact Youth who Engage in Repetitive Self-Injurious Behavior.</b> Elizabeth Osuch, Jo Anne DePace, Bradley Ross, & Melody Chow (University of Western Ontario, Canada)
	<b>Exploring Repetitive NSSI in Adolescents: A Neurobiological Model of Addiction.</b> Yasser Ad-Dab'bagh (Children's Hospital of Eastern Ontario, Canada), Mary Kay Nixon (University of Victoria, Canada), Paula Cloutier (Children's Hospital of Eastern Ontario, Canada)
11:30-11:40	Break
11:40-12:20	<b>Clinical Presentations: Improving Treatment</b>
	<b>A Structured Journaling Intervention in Day Treatment.</b> Saloumeh Bozorgzadeh, Nina Dietzen, Corey Smith, K. R. Juzwin, Jason J. Washburn, and Denise Styer (Alexian Brothers, USA)
	<b>Do Substitute Behaviors Really Work?</b> Wendy Lader (SAFE, USA)
12:20-1:50	Lunch on your own
1:50-2:50	<b>Clinical Research Hour</b>
	<b>Treatment of Self-Injurious Behaviors (T-SIB): Preliminary Results from an Open Pilot for an NSSI Intervention.</b> Margaret S. Andover, Heather T. Schatten, & Blair W. Morris (Fordham University, USA)
	<b>How Do We Help Those Who Self-Injure? An Examination of What Young People Think.</b> Penelope Hasking (Monash University, Australia), Graham Martin (University of Queensland, Australia), Emily Berger (Monash University, Australia)
	<b>Adolescent Self-Embedding Behavior.</b> Nicholas Lofthouse, William Shiels, & Abigail Musunga (Ohio State University, USA)
2:50-3:30	Closing Remarks & Goodbyes, Jason J. Washburn

INTERNATIONAL SOCIETY FOR THE STUDY OF SELF-INJURY

Poster Session: Saturday, June 26th, 2010 (5:30pm - 7:00pm)

Location: Ryan Family Atrium, 303 E. Superior, Chicago IL, USA

**Participant Perspectives of Ethical Issues in Research on NSSI.** Margot S. Andover, Keith Cruise, Kaitlin Walsh, Nicholas Brown & Celia Fisher (Fordham University, USA)

**Differences in Psychological Symptoms and Protective Factors in Flemish Adolescents with and without Non-Suicidal Self-Injury.** Imke Baetens, Laurence Claes, Jennifer Muehlenkamp, Hans Grietens & Patrick Onghena (Katholieke Universiteit Leuven, Belgium)

**A Content Analysis of the Words Engraved onto the Skin During Self-Injury.** Peter Bandalli, Jeff Gavin & Karen Rodham (University of Bath, UK)

**Proposed Characteristics of a School Protocol.** Kathleen Bubrick, Jaclyn Goodman & Janis Whitlock (Cornell University, USA)

**The Association between NSSI, Self-Concept and Acquaintance with Self-Injurious Peers in a Sample of Adolescents.** Laurence Claes, Adinda Houben, Walter Vandereycken, Patricia Bijttebier (Katholieke Universiteit Leuven, Belgium) & Jennifer Muehlenkamp (University of Wisconsin-Eau Claire, USA)

**Affect-Regulation Function of NSSI in Eating Disordered Patients: Which Affect-States are Regulated?** Laurence Claes (Katholieke Universiteit Leuven, Belgium), David Klonksy (University of British Columbia, Canada), Jennifer Muehlenkamp (University of Wisconsin-Eau Claire, USA), Peter Kuppens & Walter Vandereycken (Katholieke Universiteit Leuven, Belgium) & Jennifer Muehlenkamp (University of Wisconsin-Eau Claire, USA)

**The Role of Social-Cognitive Variables in Facilitating Nonprofessional Help-Seeking for NSSI.** Michele Davis, Alexis Arbutnott, Jill Schoonderbeek, Homan Allami & Stephen P. Lewis (University of Guelph, Canada)

**NSSI in University Students: The Relative Importance of Different Behavioural Functions.** Katie J. Dhingra, Digby Tantam & Paul B. Naylor (University of Sheffield, UK)

**Examining the Overlap Between NSSI and Disordered Eating Behaviors.** Jamie M. Duggan, Pamela Button, Olga Heath & Nancy L. Heath (McGill University, Canada)

**Why Are Our Students Choosing to Self-Injury?** Linda D. Espinoza (South Bay Community Services, USA)

**NSSI among Australian Youth.** Penelope Hasking (Monash University, Australia)

**Emotion Regulation in Female Adolescents with NSSI.** Tina In-Albon & Marc Schmid (University of Basel, Switzerland)

**Patience for Recovery: Working with Resistance and Promoting Change for Clients Engaged in Self-Injury.** Kim Johancen-Walt (Fort Lewis College, USA)

**The Mediating Effect of Communication Within Romantic Relationships on the Link Between Distress and Non-Suicidal Self-Injury.** Christine Levesque, Marie-France Lafontaine, Jean-François Bureau & Paula Cloutier (University of Ottawa, Canada)

INTERNATIONAL SOCIETY FOR THE STUDY OF SELF-INJURY

Poster Session Continued..., Saturday, June 26th, 2010 (5:30pm - 7:00pm)

**Young Adults Retrospective Reports of First Episode of NSSI.** Shannon-Dell MacPhee , Jessica R. Toste (McGill University, Canada), E. David Klonsky (University of British Columbia, Canada) & Nancy L. Heath (McGill University, Canada)

**With Thought in Mind... Comparisons of Childhood Correlates of NSSI Thoughts and Actions in a Normative Sample of Young Adults.** Jodi Martin, Jean-François Bureau, Marie-France Lafontaine & Paula Cloutier (University of Ottawa, Canada)

**Sadness Rumination Mediates the Association between Borderline Personality features and Types of NSSI.** Natalie J. Michal, Katherine L. Dixon-Gordon & Alexander L. Chapman (Simon Fraser University, Canada)

**NSSI in India: Prevalence in a University Sample.** Yogini Nath, Alyssa Baxter, Elizabeth Roberts & Nancy L. Heath (McGill University, Canada)

**Recovering from NSSI.** Celeste Pietrusza, Stephanie Shea & Janis Whitlock (Cornell University, USA)

**Predicting NSSI Intent in a University Population: Application of the Theory of Planned Behaviour.** Shaina Rosenrot & Stephen P. Lewis (University of Guelph, Canada)

**Perceived Risks and Benefits of NSSI and Risky Behaviors.** Heather T. Schatten, M.A., Margaret S. Andover, Ph.D., Blair W. Morris, Patrick B. Wester & Allison Embert (Fordham University, USA)

**Attitudes as well as Temperament and Character Traits of Pupils with Deliberate Self Harm in Basel.** Marc Schmid (University of Basel, Switzerland)

**Understanding Professional Help-Seeking for NSSI in University Students: Application of a Theoretical Model.** Jill M. Schoonderbeek & Stephen P. Lewis (University of Guelph, Canada)
